Mapping your share on a Macintosh

1. In the Finder, Click the Go menu, and select Connect to Server

2. For Server Address, enter smb://fs.engr.sc.edu/z_<yourusername>$. (Remember the “z_” and the “$”)

When you are asked for authentication, enter the username that you used in the address above, as well as your Engineering Domain password. If you are on a personal computer, it is okay to click “Remember this password in my keychain.”
